* Pricing Subject to change without notice.

Section 2 - Explanation of Additional / Optional Services

All Additional Services listed below are subject to additional pricing **NOT found in Section 1-D*

eCheck - Check Guarantee and Non Guarantee are available. Enables the merchant to process customer checks electronically on their SecurePay Account.

Customer Vault - Allows the merchant to store customer information in their AMGSecurePay Interface and run another transaction on that same customer's credit card without having to retrieve all of the data again.

Payer Authentication - Helps to decrease Fraudulent Activity on your account and includes added benefits if you are a victim of Fraud.

iSpy Fraud - Allows merchants to establish their own parameters in preventing fraud.

Level 3 Data Processing - A Merchant Account with Special Pricing that has Special Requirements for each transaction such as Product Description and SKU.

Customize Your Gateway - Design your gateway the way you want it. Your Color Scheme, logo along with the typeface and size.

Section 3 - Setup Fee Payment & Pricing Acceptance- Select & Sign One

By selecting and signing one of the options below, you also agree to the Pricing in Section 1-D along with any additional fees that may incur by selecting additional products in 1-E. By completing this document and sending to AMG, you understand that any information above, that is NOT CORRECT, may be placed within my gateway as CORRECT and AMG and its subsidiaries are not responsible.

SIGNATURE INSTRUCTIONS - There are a couple of different ways to sign this document. The first and most traditional would be to complete the form on your computer, then Print it, Sign it in the proper signature line, then scan it to your computer and email to AMG, or simply fax it.

The second would be to complete the entire form on your computer and click on the proper signature box. You may select a Digital Signature you have already created before or create an entirely new one. Complete the steps according to your computer and then place the Digital Signature in the proper signature box. Once you have completed your Digital Signature you will be able to use it over and over again with any forms that are able to use it. For further assistance with this section and any other section in this document, please contact AMG SecurePay.

PLEASE NOTE: Once your Digital Signature is applied then NO further changes can be made to this document unless the Signature is removed. To remove your Digital Signature, simply Right-Click on it and select "Clear Signature".

☐ A. ACH Payment ONLY

I authorize Advanced Marketing Group [DBA Advanced Merchant Group / AMG] to perform a transfer debit from my account that is identified above [1-C] for the amount listed above or when payments are due or applicable [1-E]. Furthermore, if any such electronic debit and to subsequently collect a returned debit item fee of \$25.00 per item by electronic debit from my account identified below.

For accounting purposes, all electronic debits will be reflected in the monthly bank statement that corresponds with the financial institution account identified on the previous page.

I understand and authorize all of the above as evidenced by my signature below.
